If you have logged in to AcademicWorks before, this is the landing page you will come to (it may default to the "Other Recommended Opportunities" in the left-hand menu):

Next, choose "College of Arts and Sciences" from the left-hand menu. When you land on this page, it will begin with a question about instruments or studies that apply. These are not department specific, choose any that apply.

KANSAS STATE

Then, scroll down to "Journalism and Mass Communication".

Please upload a resume (PDF format only) that includes education, work or extracurricular experience, leadership, special skills, and journalism and mass communication experiences. Professional resume format is important resume - RESUME for jmc.pdf - about 1 month ago ▼ Edit File Description View or Add a New File For this section of the application, please include three examples of your work, either from professional media, student media or classroom assignments and one accompanying document that explains all three pieces, max 250 words. Choose your best work, which can include class assignments, but please do not include anything that has grading on it. Writing: Examples can include high school or college newspaper stories, news releases, advertisements, English compositions, copy for websites, audio or video scripts, blog post copy or any similar written material. Visual: Examples can include posters, fliers, advertisements, public service announcements (PSAs), newspapers, website design and graphics, photographs, drawings, logos, brochures, fliers, etc., where your work is primarily visual in nature. Examples can include audio newscasts, radio shows, podcasts, voice work for commercials, original audio for websites and similar materials. Multimedia: Examples can include websites or social media platforms—anything that includes more than one kind of media content. Be sure to make clear which elements of the example are your work, and make it easy for the scholarship committee to locate these elements. Video: Examples can include news packages, corporate video, original video for websites, advertisements, social media video and similar materials. If the example is a group effort, specify the work you did on the example. NOTE: Each uploaded file must be less than 16MB. If the file already exists on another website, you may instead include a link to Each uploaded file must be less than 16MB. If the file already exists on another website, you may instead include a link to Is your first work example a web URL link or a file upload? Uploadable File (16MB or less) Is your second work example a web URL link or a file upload?
